MINUTES OF THE MILW.RADIO AMATEURS CLUB JAN.14,1932

35 Men present [redacted].

THE MEEting was called to order at 8:05 PM by Chas.Meyers W9GVL since the president and secretary were absent and Harold Kurth W9FSS was appointed secretary pro-temp.

Mr.Phillipson W9CRG had no report on publicity.

Mr.Meyers said that because not enough Directors were present before the regular meeting,no directors meeting was held.

Mr.Catel W9DTK on"Papers and Publications" read from QST.He made special note of the new regulations on radiophone;the present 3.5Kcs phone band will be shifted to 3900-4000 Kc/s.He also talked on Band-pass filters and a dicussion by the members followed.Mr.Waring talked on band pass filters also and mentioned some of the commercial comps which used them.

An application for associate membership by Dr.Chas.Rosenbaum was presented and favorably voted on.

The Milwaukee Amateurs were requested to get on the air for the All-Wisc. QSO party which will be held on 160 and 80 meters.

No report from Herbert Waring.(on technical)

Mr.Phillipson W9CRG reported on his station and stated that he was rebuilding and was making a Phone transmitter.

Chas. Tucholski asked for advice on the "TNT" circuit and Chas.Meyers and other gave him the advice he desired.He stated that he would be back on the air in a few weeks.

Chas.Meyers W9GVL talked on his new transmitter (xtal) and the trouble he had in getting it to work.

Mr.Toplinski reported on a violation of the Radio Regulations and said no action had been taken on the case by the court,and that the offender was not a licensed amateur.

The members were asked if they had experimented on 56 megacycles but no one answered in the affirmative.

The Milwaukee Radio Amateur Club, Inc.

Minutes of the regular held on Jan 21, 1932

The meeting was called to order by the president at 8:10. There were 31 present.

Mr. Meyers of the membership committee said that he had several prospects line up for membership.

Mr. Catel of the P & P committee had nothing to report but took it upon himself to razz the secretary for not attending the Board of Directors meeting.

Mr. Wollaeger of the Publicity had nothing to report

Mr. Catel read a letter that he received from the radio inspector. Mr. Catel announced that he thought that the Milwaukee Journal was very unfair in their attitude towards the amateurs.

Mr. Seibel made a motion that the secretary write a letter to the Journal explaining the status of the amateurs. The motion was amended to include the assistance of the clubs general counsel.

Mr. Zander complained that he had complained to the Electric Co. about interference in his neighborhood, he also said that they had done nothing about it. And that he was building a short wave super and will run down the power leaks himself.

The president asked for reports on the all Wisconsin QSO party, Mr. Meyers 9GVL reported that he had contacted 18 stations.

Mr. Catel reported on some new heater ovens that are being designed for use at WPDK.

Mr. Meyers lead a dicussion about the neutralizing of a type 47 tube.

W9BJF dicussed a very novel method of frequency doubling.

There being no further business the meeting was adjourned at 9:40

Respectfully submitted,

H.G. Barnes

H.G. Barnes Sec'y

The Milwaukee Radio Amateurs Club, Inc.

Minutes of the regular meeting held on Jan 28,1932

The meeting was called to order by the president at 8:10, there were 35 present.

The president announced that there would be a QSO party on 160 meters on Feb 14,1932.

Mr.Meyers of the membership committee had nothing to report.

Mr.Meyers made amotion that the cards announcing the QSO party be mailed on Feb.1.

The president requested the secretary to write to W9FO for a list of amateur stations in Milwaukee county.

Mr.Wareing wanted to no when there would be a party on 56Mc.

The technical committee had nothing to report.

Mr.Catel reported that he had sent in the subscription but that he had not received an acknowledgment either in the form of a letter or the Modern Radio Magazine. Mr.Catel described a new form of keying by using 3 type 45 tubes in paralell for the center tap.He also described the characteristics of the new 239. Mr.Catel reported on his visit to Mr.W.J.Damm of WTMJ reletive to a letter that he received from the radio inspector.

Mr.Zander showed the members a new receiver that he had built using the new 6 volt auto tubes.

Mr.Wareing asked that some one more familiar with the operation of the 160 mater band be appointed chairman of the next QSO party.Mr.Meyers nominated Mr.Wollaeger for the chairmanship of the next party.

Mr.Wareing was asked by the president to give a talk on 56mc. transmitters in the near future.

A discussion arose as to the time of the 160 meter party it was finally decided that the party should be held between the hours of 1 and 6 PM.

The secretary announced that the either QSO partys are sidetracking ~~the~~ our annual QSO party,it was suggested that the Board of Directors hold a meeting and come to an agreement on the time etc.

Mr.Crapo the president called a meeting of the Board of Directors to be held at his home on Feb 2,1932 at 7:30 PM.

The results of the QSO party were announced and the prizes wre awarded.A total of 34 stations participated and there were 15 logs sent in to be judged.
The following prizes were awarddd

1-W9GIL -1 211 E donated by W9ESF
2-W9GVL -1 set of Madison Moore transformers.Donated by Rdo.Parts Co

Respectfully submitted

H. G. Barnes

The Milwaukee Radio Amateurs Club, Inc.

Minutes of the regular meeting held on Feb 18, 1932

The meeting was called to order by the president at 8:10 PM. There were 48 present.

The presiden t read from the ARRL bulletin about the changes to be made in the amateur fone bands.

Mr. Meyers gave his version of the recent QSO party by saying it was a flop.

Mr. Schunck said that he was on the air but some of the fellows that he worked said that he had no carrier and that the only way that they could read him was by his key-clicks.

Mr. Reinke said that he was already to get in on the 160 meter QSO party but due to a transformer that he had purchased in good faith from a member of the club he was unable to be on the air.

The president introduced Mr. Pansch and Mr. Foster both of whom have been identified with amateur radio in Racine for a number of years.

Mr. Boardman of Kenosha was also introduced, he said that his motive in coming up here was to see if there was such a thing as a club here.

Mr. Wareing of the technical committee gave a very interesting demonstration of the operation of a 56mc. transmitter.

The prizes for the 160 meter QSO party were awarded:

1st	prize	to	W9GVL 1 type 47 tube
2nd	"	"	W9ANA 1 audio xformer
3d	"	"	W9FMI
"	"	"	W9CRG 1 dial
"	"	"	W9AFZ 1 type 27 tube
4	"	"	W9DTK 1 resistograd

There being no further business the meeting was adjourned at 9:30

Respectfully submitted,
